

KATHRINE NØRGAARD

CHARACTER DESIGNER

✉ kathrinenørgaard@live.dk ☎ +45 61792667 📍 Denmark

PROFILE

Hi, My name is Kathrine Nørgaard and I'm a Character and Asset Designer from Denmark. I'm familiar with the entire design process and have designed both assets, characters and creatures for both 2D and 3D shortfilms and a boardgame, so I know what the modeling artist is looking for. My dream is to design characters and creatures for animated films and games.
